Subject

Subject: General Pest Control Quotation

We take pride in our exceptional cleaning standards. We have over ten years of experience. Our company is large enough to be dependable while remaining small enough to focus on the demands of each individual client.

SCOPE OF WORK

Cleaning the floors, walls, and ceilings, as well as dusted, vacuumed, and disinfected. Removal of garbage and other wastes

- Disinfect all desks and tables to protect against contamination. Any other surfaces which have been touched should also be disinfected, such as door handles, bins and kettles. Flooring should be vacuumed, ideally using a steam vacuum cleaner. This will pick up dirt and kill off any germs.
